## The Shire makes your day

**At The Shire, there is no such things as a Wedding Day or Functions Package.**

We offer the facilities, resources and capability to deliver a day to your own, individual specification. Through experience, we have plenty of ideas and suggestions to make.

But ultimately, we want it to be your day and we will be as helpful and flexible as we can to ensure it will be as memorable as you could wish it to be.

## Weddings and functions at The Shire

The Shire is the perfect venue for your Wedding Day, Barmitzvah, Corporate Day or Party.

The Shire can accommodate 150 guests at table or 200 for a buffet function in a delightful, self-contained Suite with its own bar and entrance. For weddings The Shire has a licence to hold your Marriage Ceremony in a private room which can accommodate up to 80 of your family and friends.

There are beautiful views across the splendid Seve Master Golf Course, an ideal backdrop for your photographs and a superb location for outdoor refreshments.

## Menus to suit your taste

Rather than offering set menus we prefer to work with you to design a menu that suits your particular tastes.

We will make suggestions which can include a variety of vegetarian and ethnic options.

When it comes to finalising the details of the day, we offer you the opportunity of sampling the dishes that you have specified to ensure you are entirely happy with your selections.

## Reserving your day

**An early reservation is recommended to ensure your wedding or function takes place on the day of your choice.**

If available, we will hold this date provisionally until you have had time to view our facilities, discuss your menu requirements and format for the day and agree a basic price. You will then be asked to sign a contract and pay a deposit. Once completed, you can relax in the knowledge that your booking is secure.

## Finalising the details

About 6 weeks prior to the event we will arrange a meeting with you to finalise details. It will also be an opportunity for you to sample your menu selections.

## Civil Weddings at The Shire

The Shire holds a Civil Wedding Licence, enabling your Wedding Ceremony to be in the same location as your Reception.

It's a great convenience for you and your guests, with ample car parking space to make transport easy.

We will explain how the Ceremony should be arranged, the conditions that apply and the fees that the Registrar will charge. We will also supply you with contact details of the Registrar so that you can confirm availability and book an appropriate time.

## Flowers

We can suggest a number of different flower arrangements for the room in which your Ceremony will be held and in the Suite where your Reception will take place (including table decorations). Bouquets and buttonholes can also be provided.

## Table Plans and Cards

We will suggest a table layout to suit the number of guests you have invited.
